

## **Experiencing the Presence of God**

### **Chapter 7: Always Ready Spiritually**

I have written in this letter what my tongue said as I let it speak, not because I wish to recommend any of the above as prophetic, but simply because I think it may prove helpful to those who have been dissatisfied with their own contact with God and who may find this a helpful practice in making contacts with God. Day after day I find this very helpful in little intimate personal ways, which would have no value for others.

I am well aware of the probability of criticism because it is "mysticism" - as though any man could be a believer in Jesus without believing in "mysticism"! - or because many people think that the days of direct contact with God, or at least words from God, stopped with the closing of the New Testament. But then what a stupid world this would be if one never did anything different for fear of criticism!
