QTR 1	1 Grace Walk (McVey) Chapter 1 - Miserable Christians	1	PURCHASE		<p>"We are condemned to salvation through the Cross of Jesus Christ. Discipleship is optional - "IF any man ... " — Oswald Chambers</p> <p>All readings, except The MESSAGE Bible are provided in .TXT or .PDF formats which can be printed by the MENTOR for the MENTEE and sent by mail. This is to accommodate ministry to inmates and shut-ins and others who do not have computing devices available.</p> <p>In order to comply with copyright laws, the MENTOR can purchase a copy of each book indicated for each mentee in a place where the books cannot be sent.</p> <p>RIGHTS column indicates copyright compliance information</p> <p>PURCHASE = a valid 'purchased' copy is required for each mentee. Public Domain = the printable versions included in this Mentoring program are in the public domain and do not require purchase.</p> <p>Permission = permission has been given by the owner of the copyrighted materials to print without purchasing any or all content provided electronically with this guide. Out of Print = where possible these books should be purchased from used book sellers PUBLISHER = These books must be sent directly from the publisher to inmates as mandated by law.</p> <p>The printable documents are in .PDF format for consistent sizing. Landscape orientation; half sheets; ODD / EVEN pairs 1 Print odd numbered pages only of ...Cody ODD.pdf version. 2 reverse collate pages - re-insert into feeder tray - do not rotate or flip 3 Print even numbered pages only of ...Cody EVEN.pdf version. —> fits standard #10 envelope, printed 2-sided, single USPS stamp</p> <p>This program will cover the contents of carefully selected books, devotional books, and verses to memorize. Each year in the program will cover most of the New Testament and portions of the Old Testament.</p> <p>The MESSAGE Bible is used so that the Mentee can easily easily understand the scriptures. It is a completely independent translation by Eugene Peterson who taught Hebrew and Greek to seminary students for 10 years before God called him to pastor a church in Baltimore Maryland. Eugene translated directly from the original languages because his congregants were either bored with their all too familiar 'favorite versions or misunderstood the connection between man's spiritual and social needs.</p> <p>The MENTOR is encouraged to have at the ready their preferred version of the Bible to help guide their MENTEE to more thorough understanding of what they read in the simpler words of The MESSAGE. MENTORS largely agree that reading The MESSAGE version along with their MENTEE has provided numerous inspirations and useful revelations of God for their own relationship with God.</p>
