

Dear child of God, all your concepts of what God is like really amount to nothing. Do not try to imagine what God is like. Instead, simply believe in His presence. Never try to imagine what God will do. There is no way God will ever fit into your concepts. What then shall you do? Seek to behold Jesus Christ by looking to Him in your inmost being, in your spirit.

Let us close this chapter by looking at a third way in which you may begin a deeper encounter with your Lord. You may come to the Lord by looking to Him as your Physician. Bring to Him all your sicknesses so that He can heal them. But as you come to Him, do not come with anxiety or restlessness. And as you come, pause from time to time. This period of waiting silently before the Lord will gradually increase! Furthermore, your own efforts at praying will grow less and less. Eventually there will come for you that moment when He will gain complete control, when you will continually yield to God's working within you.

As you can see, what has begun as something very simple will grow! It will grow to become a very real and vital relationship between you and the living God. When the presence of the Lord really becomes your experience, you will actually discover that you have gradually begun to love this silence and peaceful rest which come with His presence. There is a wonderful enjoyment of His presence. This wonderful enjoyment of His presence will now help introduce you to yet another level of prayer!

We will go on to this second level of prayer in the next chapter. It is a depth of prayer that can be experienced by all believers, the simple as well as the scholarly.
