Far more than any other device of God to create love was the cross where the most loving person the world has known hangs loving through all His pain. That cross has become the symbol of religion and of love for a third of the world because it touches the deepest depths of human love. All I have said is mere words, until one sets out helping God right wrongs, helping God help the helpless, loving and talking it over with God. Then there comes a great sense of the close, warm intimate heart of reality. God simply creeps in and you know He is here in your heart. He has become your friend by working along with you.

So if anybody were to ask me how to find God I should say at once, hunt out the deepest need you can find and forget all about your own comfort while you try to meet that need. Talk to God about it, and - He will be there. You will know it.
